Dear MEP Mrs Kashetu Kyenge,

The Netherlands hold EU presidency in first half of 2016. Dutch politicians depicted as nazi's on the internet. The Framework Decision obliges the EU's member states to penalise hate speech, i.e. public incitement to violence and hatred based on race, colour, religion, decent or national or ethnic origin, as well as hate crimes that have a racist or xenophobic motivation. In terms of hate speech, the Framework Decision 2008/913/JBZ applies both online as well to the offline world.

I'm not satisfied about the reaction by e-mail from your assistant Mrs Viaya Alfiaz link:

The Dutch prime minister (both) and mr. Schulz depicted as nazi online link:

(You wellknow the case 1193/2013 from Elagoz Vahram)

I ask for special attention the links to documents (under the youtube video “depicted online as nazi”,and make this part of the meeting of ARDI (european parliament) 26 january 2016.

SINCERELY
